The Essence of Us

Founded in 2017, MICROVIT CERAMIC has quickly established itself as a leading name in the sanitaryware manufacturing industry. Our founder, with over 25 years of extensive experience in the field, envisioned a company that combines quality craftsmanship with innovative design to meet the evolving needs of customers.

Our team comprises skilled artisans and engineers who are dedicated to perfecting every detail. From initial design concepts to the final product, we prioritize craftsmanship and attention to detail, allowing us to create pieces that enhance both modern and traditional bathroom spaces.

Since our inception, MICROVIT has focused on customer satisfaction, aiming to build lasting relationships with clients through exceptional service and high-quality products. We understand the importance of creating functional and beautiful bathrooms, and we are committed to being a reliable partner in this journey.

As we continue to grow, we remain dedicated to innovation and excellence, striving to set new benchmarks in the sanitaryware industry. We invite you to explore our collection and experience the quality and design that define MICROVIT CERAMIC.

	Factory Area	46000 mq
	Showroom	185 mq
	Staff	350+
	Products Made in India	
	ISO9001 Quality Certified	

The Spotlight Features

At Microvit, every product is a result of precision engineering and quality craftsmanship. Our state-of-the-art manufacturing process ensures that each sanitaryware piece not only meets but exceeds the highest standards of performance and durability.

With a commitment to innovation, we combine cutting-edge technology with expert artisanship, creating sanitaryware that transforms everyday experiences into moments of comfort and luxury.

Our production facilities are equipped with the latest machinery, allowing us to produce flawless products that adhere to global standards of quality. From the selection of raw materials to the final finishing touches, every step is meticulously handled.

Each product tells a story of careful design, efficient manufacturing, and unparalleled quality. Our team works tirelessly to bring you sanitaryware that reflects both function and beauty.

TOILET

Everything is just right

Technology Rimless

Easy Cleaning

Innovative Rimless that is inner walls without angles or nooks where dirt might built up, making the cleaning of the WC easier.

Hygiene

New water distributor that propels a stronger Bush, homogeneously distributing water throughout the entire bowl.

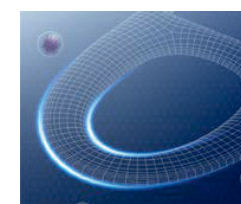

Splash-Free

Slight edge on the upper part of the bowl that prevents water from exceeding the limits of the piece, avoiding any splashing.

Material Toilet seat

Antibacterial

Material with zero porosity, exclusive at Microvit, that prevents the absorption of liquids and the build-up of dampness and bacteria.

Easy Cleaning

Innovative design with no angles or nooks where dirt might build up, making cleaning easier.

Resistance

Exclusive formulation, highly resistant to chemical agents and UV light.

Water Savings

Dual Bush cisterns that use one half of their capacity to avoid the waste of water.
